QUALITY PRODUCTS AND RELIABLE SERVICE

Quality-tested products and logistics services as scheduled are the key to the success of granaagro Deutschland GmbH. Through many years of experience and efficient and successful trading in grains, the granaagro Deutschland GmbH offers optimum support to all its Customers.

International employees at all levels and specialists with know-how in trade, logistics and quality assurance guarantee a consistently high service quality. In short, the granaagro Deutschland GmbH stands for excellent products and reliable services.

ABOUT **GRANAAGRO DEUTSCHLAND GMBH**

The head office of granaagro Deutschland GmbH is in Lörrach, Germany, with additional locations in Kiefersfelden and Berlin. In Lörrach and Kiefersfelden, the procurement of goods, the associated quality control and optimised logistics from the field to the customer take place. In Berlin, the focus is on the organic market and a secure supply of organically produced raw materials from farms, initial collection points or processors is ensured.

granaagro Deutschland GmbH is a subsidiary of Swiss Grana Group AG, headquartered in Switzerland. The Group consists of the subsidiaries granaagro Deutschland GmbH, granaagro Czechia s.r.o. and granaagro Danubia s.r.l..

Quality is very important to us. We meet the following standards:

AGROFERT

For 30 years, the Agrofert concern has been developing a responsible and sustainable business, which now comprises an entire production chain encompassing the cultivation of agricultural crops, livestock farming, and the manufacture of foods from high-quality ingredients with guaranteed origins.

We have close ties with the broader agricultural market thanks to the production and distribution of fertilizers, plant protection products, and agricultural machinery and technologies.
